**Morning Keynotes**

Christine Dargen, Ph.D. 11:00 am – 12:00 pm

Overcoming Anxiety Disorders in School-Age Children The increasing rate of stress and trauma to children, which includes disorders such as post-traumatic stress disorder (PTSD), anxiety, depression, and other emotional and behavioral problems will be presented.

**Afternoon Concurrent Sessions (continuation of all morning keynotes)**

MaryAnn Binghamton, M.S. 1:15 pm – 4:00 pm

Powerful & Effective Strategies for Reaching “I Don’t Care” and Disengaged Students Everyone wants to know how to teach students who are unmotivated, underperforming, and claim to not care about school. This innovative seminar will demonstrate successful strategies you can use in your classroom or school to make positive changes in these challenging students.

**Day 3 | Friday, November 8, 2019**

**Morning Keynotes**

Kelli Sandman-Hurley, Ed.D., NCSP 9:30 am – 10:45 am

Dyslexia: What it is, What it is Not & How to Help Students In this keynote participants will experience a dyslexia simulation that demonstrates the impact and difficulty with reading, writing and processing in conjunction with a discussion of the signs and symptoms of dyslexia. Participants will also view many popular myths about dyslexia and their realities.
